Patrick's High Energy performance is just the beginning of ExtremeFlight's airshow program. Our custom add-on packages give you the option to choose from educational books, activities, or costume characters. Contact us for pricing and details.

PILOT

PACKAGE INCLUDES

- An aerobatic performance by Patrick McAlee in his Pitts S1S biplane.
- Visit schools, media, and speaking engagements.
- Walking the flight line to hand out autographs .
 - During the show's run, posts will be made on social media.

STANDARD

Add on to Package 1
 100 Activity Books handed out on flight line.

The costume character will be worn throughout the event (weather permitting).

S.T.E.A.M

ExtremeFlight is pioneering a S.T.E.A.M activity program. We have integrated activities that not only involve S.T.E.M but also encourages group participation and the arts.

ADD-ON

PACKAGE INCLUDES

A custom S.T.E.A.M program can be added to Packages 1 or 2.

- Introduction to the concepts of flight via group activites and games.
- Drone education.
- Children's coloring table/contest with additional activity books.
- A VR Oculus Flight Simulator with Patrick's Plane (timed per child).
